## Vaccine Distribution Action Plan

### Week of Jan 7<sup>th</sup> thru Jan 23<sup>rd</sup>

The expectations from each Vaccination Hub site are the following:

1. Vaccinate individuals in Phase 1A, 1B, 1C, or anyone over the age of 12.
2. Vaccinate all eligible Phase 1A, 1B, 1C, or any Adult over the age of 12 recipients regardless of where they reside. Vaccination efforts should not be restricted to residents of your county.
3. Administer all vaccine doses within 5-7 days of receipt. The more efficient HUBS may receive additional vaccine allocations.
4. Dual reporting (ImmTrac2 and TDEM) of doses administered daily by 8:00am, required.
5. It is imperative that there be an equitable distribution through demographic coverage targeting the hardest hit zip codes and demographics.
6. Ensure that recipients can be monitored for allergic reactions for the appropriate amount of time after they are vaccinated.
7. Provide a detailed plan for how you will vaccinate the population outside of your immediate workforce including hardest hit zip codes and demographics.

**Strike Teams:** Strike teams are being stood up to help with smaller sub-hub administration of CoVID-19 vaccines to vulnerable minority populations. Strike Team consists of vaccinators, data loggers, IT and EMT staff.

Strike Teams will also assist at various drive-thru's and other locations.

Day	Date	Summary	Location
Friday	1/7/22	La Palmera Mall-mall hours	La Palmera Mall
		Greenwood Sr. Center 12 pm to 6pm	Greenwood Sr. Center
		Robstown Outlet Mall 12pm to 6pm	Robstown Outlet Mall
