The applicant for the tax abatement agreement is Tesla, Inc.

2. The name of the reinvestment zone shall be Tesla Tax Abatement Reinvestment Zone Number 1, and is located west of the intersection of Highway 77 and Country Road 28 in Nueces County, Texas, and more particularly described above.

3. The improvements to be included in the tax abatement agreement generally consist of facilities to be used primarily for development of a battery-grade lithium hydroxide refining facility, the first of its kind in North America, as well as facilities to support other types of battery materials processing, refining, and manufacturing and ancillary manufacturing operations in support of Tesla's sustainable product line.

Tesla will process raw ore material into a usable state for battery production. The process Tesla will use is innovative and designed to consume less hazardous reagents and create usable by products compare to the conventional process.

The final product, battery-grade lithium hydroxide, will be packaged and shipped by truck and rail to various Tesla battery manufacturing sites supporting the necessary supply chain for large scale and electric vehicle batteries.

Proposed improvements would include supporting infrastructure and lithium refining equipment, operation buildings, laboratory for R&D (research and development) and quality controls, new access roadways, parking lots, loading docks, logistics facilities, process warehouse and maintenance buildings, utility distribution improvements including underground utility piping, structural foundations, pads, supports, electrical substations, rail spur for use exclusive to this project, cooling towers, fire prevention equipment, safety equipment, stormwater management facilities, waste management facilities, and wastewater treatment infrastructure.

4. The estimated costs of the improvements are \$254.6 Million.

Pursuant to the Texas Open Meetings Act (the "Act"), the County will consider approval of the tax abatement agreement at 3:30 p.m. on December 7, 2022, at the Nueces County Courthouse, in the Commissioners Courtroom on the 3rd floor.

This notice shall remain continuously posted for at least 30 days prior to the meeting and shall be posted in the same manner as required by the Act for a Commissioners' Court meeting.
