

# Nueces County Office of Emergency Management

To: Nueces County Hurricane Reentry Partners  
From: Dee Hawkins., Emergency Management Coordinator  
Date: 04/18/2024  
Re: 2024 Program Update

The Nueces County Hurricane Reentry Plan is a cooperation with the Cities of Corpus Christi, Port Aransas, and Robstown Offices of Emergency Management. All submissions for Hurricane Reentry requests for the City of Aransas Pass need to be submitted to San Patricio County Department of Emergency Management and Safety. They will be managing these Hurricane reentry requests moving forward as they are now part of the San Patricio County Multi-Jurisdictional Emergency Plan.

Nueces County Office of Emergency Management has training slides if needed. The County Emergency Operations Center is requesting stakeholders to provide the reentry letters to join in this endeavor. Having a reentry plan is vital to strengthening community resilience and stakeholder efficiency. You can find the Nueces County reentry plan on the Nueces County website under Emergency Management ([www.nuecesco.com](http://www.nuecesco.com)).

If you have any further questions, please do not hesitate to contact any of the Emergency Management Coordinators listed below.

## 1. Nueces County

Serving all unincorporated areas of Nueces County and the Cities of Agua Dulce, Bishop, Driscoll, and Petronila.

Dee Hawkins, County EMC
