---

An Innovative Readiness Training request for military assistance has been submitted on behalf of Nueces County to the Office of the Assistant Secretary of Defense-Reserve Affairs for approval as authorized by Section 2012 of Title 10, United States Code. The intent of this submission is to acquire engineering assistance in 2026 from the military for engineering/drainage improvements including, but not limited to, bridge reconstruction, clearing of creek(s), construction/excavation of retention ponds, and resurfacing of roads. The requested IRT support is not reasonably available from a commercial entity. Due to current financial hardships, Nueces County cannot realize this project without assistance from the military.
